

## GRANDMA'S CUPBOARD

Established on the outskirts of Llandudno, North Wales, Grandma's Cupboard only produces very small batches.

Our liqueurs are designed for every occasion or time of the day, to be enjoyed as a tittle to sip or a cheeky shooter, but they are packed with flavour so they also work really well with your favourite mixer to make a long drink or as cocktail ingredients.

Grandma's Mojito:

Nothing like a nice refreshing Mojito when you have a big thirst on. Grandma's Cupboard Rum Liqueur is deeply infused with Lime and Mint to enhance the taste before mixing with Lemonade served over crushed ice.

£ 6.50

Grandma's Apple Raspberry Pie:

A lovely fruity number which enjoys both great popularity and a wide appeal. Grandma's Cupboard Raspberry Vodka Liqueur comes together very nicely with fresh Apple Juice and Amaretto.

£ 6.95

Grandma's Summer Crush:

A great combination of Grandma's Cupboard Red Berry Gin Liqueur with Clementine Juice and Grenadine, served with a shot of Prosecco. It's a bit like a Pornstar Martini, but with Grandma the passion has gone!

£ 7.25

Grandma's Gin Fizz:

Grandma's Cupboard Lemon and Lime Gin Liqueur mixed with Soda and served over lots of ice. Now that's refreshing!

£ 6.50

Strawberry Daiquiri:

The perfect frozen, slushy cocktail has a blend of delicious Strawberries, White Rum with a splash of fresh Lime Juice.

£ 6.95

INNOVATIONS

Grandma's Black Star:

Grandma is feeling very inspired by seasonal fruit. The Lemon and Lime Gin Liqueur works wonderfully well with Blackberry Jam in a shaker and topped up with Lemonade.

£ 6.95

Dark & Stormy:

Dark Rum shaken with a splash of Lime, poured over ice cold Ginger Beer to create a sweet & spicy storm of flavour.

£ 6.95

Grandma's French Martini:

Keeping the classics going, Grandma's Cupboard Vodka and Raspberry Liqueur tastes fantastic in a shaker with Pineapple Juice.

£ 6.50

Espresso Martini

A shot of Illy Espresso, Vodka, Tia Maria & a splash of Sugar Syrup to sweeten, shaken not stirred.

£ 7.25

Don't want the caffeine? Opt for decaf!

Grandma's Bellinis:

Why not add a dash of Grandma's Cupboard to your glass of Prosecco? Raspberry? Strawberry? Rhubarb and Elderflower? Take your pick...
